Notes:
Payment is due at time of request. Please make checks payable to the Town of Northborough and submit with a completed form to the address above. All requests must be signed below. Maps are produced in color unless otherwise requested.

All data layers are provided on a CD unless other arrangements are made in advance. A data dictionary is provided with all data requests.

Data sets and maps produced by the Town of Northborough Geographic Information System (GIS) were compiled using a variety of sources including aerial photography and/or cadastral mapping performed by the James W. Sewall Company.

Data sets and maps are for planning purposes only and should not be used for larger scale analysis. The Town of Northborough shall not be held liable for any use of the data or images, nor is any warranty of accuracy expressed. All uses of data sets and maps are subject to field verification.

Aerial photography took place in the spring of 2008 and does not represent development activity or other changes since that date. Parcel and other cadastral data sets are current as of January 1, 2011 and do not represent changes since that date.

Data are in U.S. State Plane 1983 Massachusetts Mainland (feet). Vertical datum is NAVD88 (feet).

Use of any data set and/or map constitutes acceptance of this policy. Any questions should be directed to the MIS/GIS Department at (508) 393-1524 or gis@town.northborough.ma.us.
