I, as the licensee, understand that I am required to protect employees, patrons and members of the public, both on and off the licensed premises, from disruptive conduct, criminal activity, and from health, safety and fire hazards.

I, as the licensee, understand that I am required to prevent the unreasonable increase in the level of noise in the area caused by the licensed activity or caused by patrons entering or leaving the premises.

I, as the licensee, understand that I am required to prevent an unreasonable level of pedestrian or vehicular traffic in the area of the licensed premises and to prevent an unreasonable level of increased parking in the area of the licensed premises.

I, as the licensee, understand that I am responsible for implementing and enforcing any and all conditions that are placed on the outside OE2 License by the Town of Northborough, which may include and is not limited to the following:

- An exterior fire alarm horn/strobe shall be installed and operational in order to notify the exterior patrons of a fire alarm in progress.
- Exterior emergency lights shall be installed and operational in order to allow sufficient visibility for emergency evacuation during low light or nighttime entertainment.
- The Floor Plan which was filed and approved with the application shall be visibly posted showing the maximum occupancy load.
- Electrical or related instrument/performance cords shall be secured adequately so as to prevent a tripping hazard to occupants or at the emergency egress.
- No open flame, including but not limited to candles, torches and oil lamps shall be allowed on the outside premise at any time.
- Employees shall be trained and drilled in the duties they are to perform in case of fire, panic or other emergencies.
