

In any residential area, no operation authorized under this chapter shall be permitted on Sundays or legal holidays nor before 8:00 a.m. nor after 7:00 p.m. on other days. In any business or industrial area, no operation authorized under this chapter shall be conducted on Sunday except where otherwise permitted by law. The Building Inspector, at his discretion, may vary or modify the application of this provision as an occasion and/or necessity may demand.

6 Permit Application Procedure

A. Application for a permit under this chapter shall be made to the Building Inspector in writing, for each operation, and shall contain or be accompanied by the following information:

- 1.) The full name and address and contact number of the applicant.
- 2.) The full name and address and contact number of the excavator.
- 3.) The full name and address of the owner or owners of the property where the operation is to be performed.
- 4.) The street address of the property where the trench is to be performed.
- 5.) Dig-Safe number
- 6.) A statement as to the proposed operation indicating the size and purpose thereof.
- 7.) The date the proposed operation is to be commenced and the date when the operation is to be completed.
- 8.) The estimated cost of the entire proposed operation.
- 9.) The location of any drainage system, water main or other public utility, conduits, etc which may be within the proposed area of operation
- 10.) Any additional information, which may be reasonably required by the Building Inspector.
- 11.) A signed statement by the applicant that said applicant agrees to performed the proposed operation for which the permit may be granted in full and strict compliance with and in accordance with the conditions of the permit, if issued, and any and all provisions of the chapter, other applicable statutes, laws or bylaws of the Town of Northborough and any rules and regulations of the Building Department.
- 12.) Statements required by MGL c. 82A, s 3 relative to the requirement of familiarity with 520 CMR 14.00 and CFR 1926.650 (OSHA).

B. Upon receipt of the application as provided for, the Building Inspector shall act thereon by issuing or refusing to issue a permit. No permit shall be issued by him except where there is compliance with the provisions of this chapter and all other bylaws, rules and regulations of the Building Department and the Town of Northborough. Such a permit, when issued shall be effective for such period of time not to exceed thirty (30) consecutive calendar days, as shall be specified therein by the Building Inspector. The time period may be extended, if requested in
