2018 - 2019 NEDP ~ TRANSPORTATION PLAN

Below is the NEDP policy for arrival to and departure from the program site. Any variation to this policy requires a Co-Executive Director's approval and written authorization must be maintained in the child's file.

Please check the program(s) your child attends and sign the form at the bottom.

Before School Program

- Children arrive at NEDP by Parent/Guardian drop off. Children must be escorted into the program and signed in by the parent/guardian.
- The NEDP educator will release the children to the school faculty at the start of school each day.

After School Program

- NEDP children in grades 1 – 5 are dismissed by their classroom teachers and walk unsupervised to the cafeteria at each program site. Kindergarten children may be escorted to the cafeteria by (1) the NEDP educator, (2) school personnel or (3) unsupervised. A NEDP educator will greet them at the door and check them into the program.
- Children are picked up from the program by a parent/guardian or other designated person by 6:00 p.m. and must be signed out.

Field Trips:

- A public school bus will be rented through a local bus company for any planned field trips. The bus is equipped with radio communication to the bus company's office. In the event of an emergency, the bus driver will notify the NEDP educator in charge, who will then notify the NEDP Administrative Staff. They will assess the situation and proceed with the appropriate plan of action to transport the children safely back to their program sites.
- In the event of a medical emergency, a NEDP educator will call emergency responders to assess and/or transport the child to the hospital and notify the parent/guardian of the situation. The other educators and children will remain at the trip site and will be transported back to the program site by the school bus.

Important Reminders:

- Parents must inform their child's teacher which days their child will be attending Extended Day. The School will not allow your child to come to NEDP without your consent.
- Any **absences** or **changes** to your child's schedule must be communicated **to both** your child's school **and** NEDP. **It is not the responsibility of the school office or the teacher to communicate absences or changes to NEDP.**

I authorize my child, _____, to arrive and depart from NEDP in the manner described above.

I understand that any changes or variations to this policy require written parental consent and Co-Executive Director approval.
