A team of assessors from the Massachusetts Police Accreditation Commission will begin examining various aspects of the Northborough Police Department's policies and procedures, operations and facilities on Tuesday May 8, 2017. The department must be in compliance with 257 mandatory and 69 out of 125 optional standards to maintain compliance as an accredited police agency. Verification by the assessment team that the Department meets the Commission's standards is part of a voluntary process to maintain state Accreditation. Northborough is one of only 70 agencies statewide to achieve Accredited status.

Achieving Accreditation is a highly prized recognition of law enforcement professional excellence. Anyone interested in learning more about this program is invited to call the Department's Accreditation Manager, Lt. Joseph Galvin
