A CITIZEN'S GUIDE TO THE BUDGET

Congratulations! If you are reading this it means you are interested in better understanding one of the most important documents produced by your community. The Annual Budget document is much more than just numbers; it is a reflection of our community's values, priorities and goals. The Budget document serves as a policy document, a financial guide and a communications device to its residents. To this end, it is designed to be as user-friendly as possible. This guide was created to help orient interested readers by providing a brief overview of the budget process, as well as an explanation of the organization of the budget document itself. We hope you find this introductory guide a useful tool as you better acquaint yourself with the latest financial and planning information for the Town of Northborough.

THE BUDGET PROCESS

The Town of Northborough operates under State statutes and the Home Rule Charter as amended to establish the Selectmen-Town Administrator form of government. The legislative body of Northborough is an Open Town Meeting comprised of all registered voters. Town Meeting has the sole authority to appropriate funds for the operating budget and capital projects except for specific instances where statutes or regulations do not require appropriation. Any amendments to appropriations require Town Meeting vote at either a regular or Special Town Meeting. The procedures for Town Meeting are specified in Chapter 1-80 of the Town of Northborough Code. Annual Town Meeting is always held on the fourth Monday in April.

While this document contains detailed departmental budgets, it should be noted that these details are provided for information purposes only. The final budget vote of Town Meeting constitutes the legal budget authority which ultimately governs the manner and amount of local funding expended during the fiscal year. This budget presents only the General Fund, which is required by state statute to be appropriated by Town Meeting.

Readers should also obtain a copy of the Annual Town Meeting Warrant book which contains the actual budget articles to be voted upon. Town Meeting Warrant Articles contain additional funding sources such as Revolving Funds used to offset specific departmental budgets. A more detailed explanation and overview of the Town's larger fund structure and basis of accounting can be found in Appendix B.

A CITIZEN'S GUIDE TO THE BUDGET

Budget documents are traditionally difficult to read, especially if you are not familiar with the organization. One reason is that most of us do not work with written budgets everyday and thus are uncertain as to where we should focus our attention. For this reason the Town's budget has been consciously organized to provide a "big-picture" overview first, followed by progressively more detailed information. This document respects both your time and your need to understand complex financial issues at a level that allows you to actively participate in the discussion in a meaningful way. In order to address these issues, and to assist interested readers in making the budget understandable, we would like to suggest that it be read in the following order:

HOW TO READ THE BUDGET

First, Appendix D at the back of this document contains a **Glossary of Terms** that the reader may want to refer to when using this document.

Second, the **Town Administrator's Budget Message** contains the overall philosophy upon which the budget was developed as well as an explanation of any significant increases or decreases in the level of services being provided in the current fiscal year as well as what will be provided during the upcoming fiscal year. Immediately following the Budget Message is the Town's **Vision Statement** and a general **Community Profile**.

Third, the budget itself is contained in **Budget Highlights & Summaries Section 1**. This segment provides budget summaries which display revenue and expenditure histories as well as proposed appropriations for the coming fiscal year. This section identifies significant budget issues, and explains the Town Administrator's rationale for budget recommendations.

Fourth, since the budget document is designed to present summary information first, and progressively become more in-depth, Sections 2 through 5 are designed to provide **Departmental Detail** according to functional budget categories such as Public Safety, Community Services, etc.

Included in this detail are departmental mission statements, organizational charts, staffing histories, and goals for the upcoming fiscal year. These sections, explain in detail how the expenditures contained in the Budget Highlights section were arrived at and what services will be provided to Town residents.

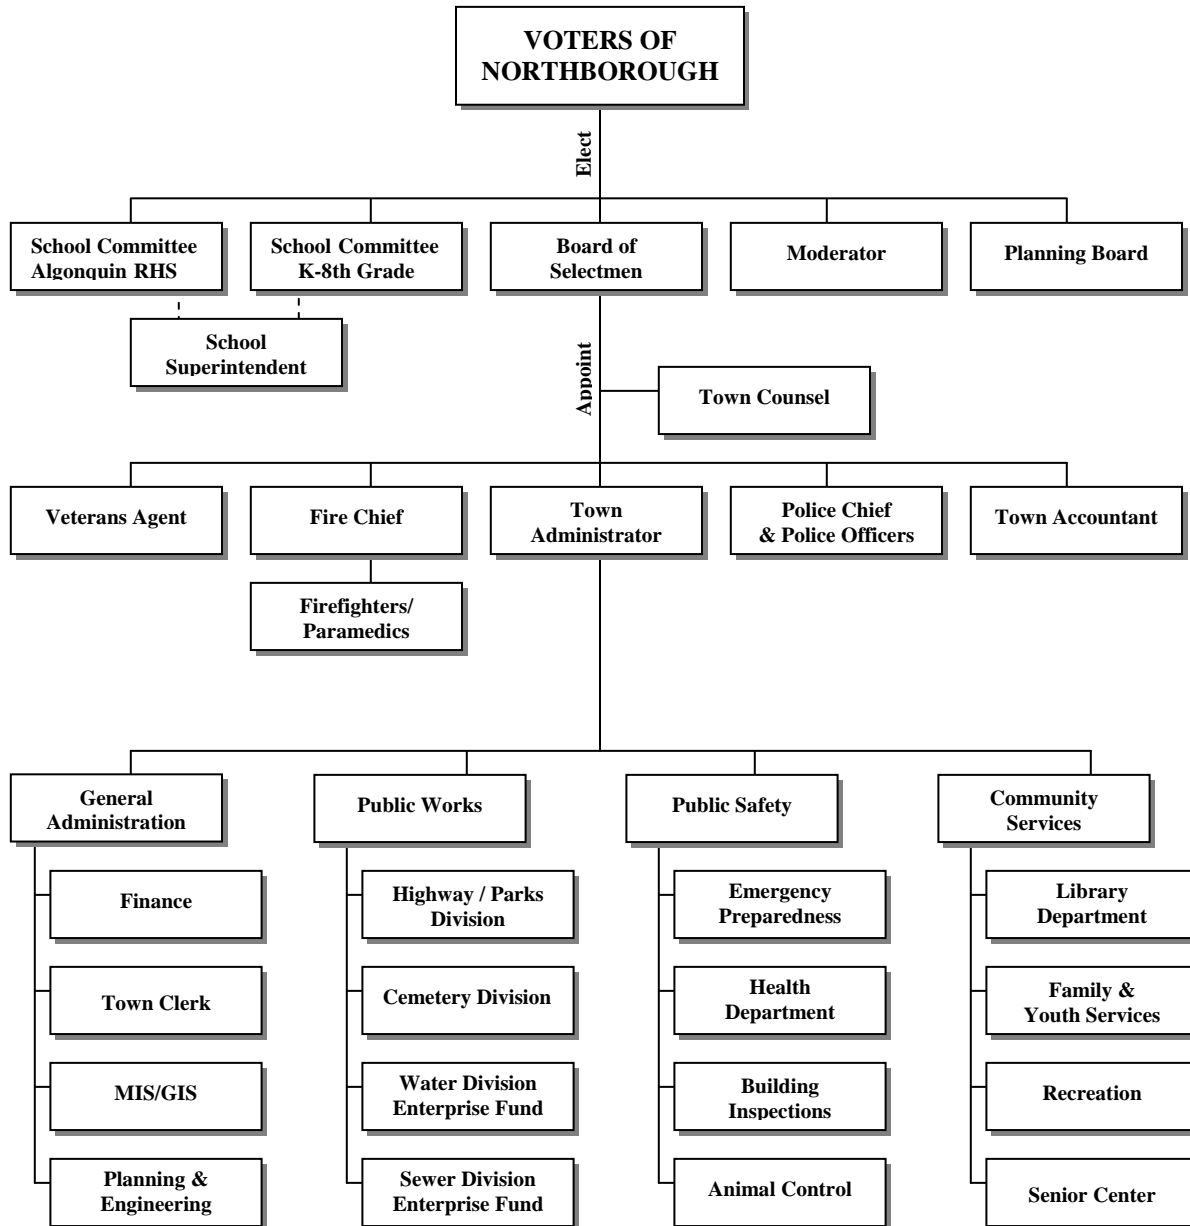

Fifth, Section 6 contains information on **Undistributed Expense Categories** such as Employee Benefits, Long-term Debt, Non-Appropriated Expenses and the FY2014 Warrant Articles.

Sixth, Section 7 contains the basic budgets for Schools. Please refer to the separately published **School Department** budget documents for more detail.

Seventh, Section 8 contains **Water, Sewer and Solid Waste Enterprise Fund budgets**.

Lastly, Section 9 details the FY2014 **Capital Projects Budget** and contains detailed information on the Town's Six-Year **Capital Improvement Program**. This is where the Town comprehensively plans for major projects that typically require funding with debt, such as new or renovated buildings and large equipment acquisitions. Contained within Section 9 is an additional reader's "introduction" guide that explains Northborough's Capital Planning process in a straight-forward manner.
