

# Senior Center/Council on Aging Departmental Statement

The role of the Senior Center/Council on Aging is to improve the quality of life for the mature citizens of our community. We do this through support, advocacy, planning, coordination, and implementation of programs that bring mature citizens together for social, recreational, and educational purposes. We seek to educate the entire community and enlist its support and participation. The Council on Aging consists of nine members appointed by the Board of Selectmen for three-year terms.

# **Senior Center Organizational Chart**

\*The Part-time Meals Coordinator position is funded through revenues generated by the senior center lunch and dinner program known as the Bistro @ 119. The Part-time Program Coordinator position is funded through program revenues. The Part-time Van Driver positions are funded through an agreement with the Worcester Regional Transit Authority. Please see the Personnel Tables on pages 5-4 and 5-5 for more detail.

# **Senior Center FY2017 Initiatives and Accomplishments**

- 1. We continued our wonderful partnership with Algonquin Regional High School Community Action Program (CAP). In cooperation with Eileen Palmer, teacher and leader of CAP, students come to the Senior Center 1-2 times per month for Technology Afternoons. During these times, students help seniors with their e-readers, iPads, cell phones, tablets or lap tops. We also have iPads, webcams and Skype at the Senior Center that are available at these times. The participating students have received rave reviews from the seniors for their knowledge and teaching abilities. A group of bi-lingual students host a group of Chinese seniors each month at the high school. Our teacher, Carol Parker, leads the group in Survival English and the students provide interpretation at each of these classes. This program has also provided a path to offer outreach services to an underserved population. Students are an integral part of our volunteer staff in the office as well as the Bistro @ 119.
- 2. Our work on a grant that was written by the Executive Director of BayPath Elder Services, Inc., continues to create a dementia friendly community. Along with Marlborough and Hudson, this grassroots initiative, Come 2 B Dementia Friendly, raises awareness of the disease and seeks to reduce stigma while educating emergency responders, faith communities, businesses and all other sectors of the community. We are taking a proactive approach to addressing Alzheimer's disease and related dementias as Northborough, like communities across the country, faces a rapidly aging demographic. Statistically, 1 in 9 individuals over the age of 65 has Alzheimer's disease, while 1 in 3 over the age of 85 has the disease. An action team with representatives from all parts of our community has formed to carry on the important work into the next fiscal year.
- 3. The Bistro @ 119 continues to thrive with a whopping 8,960 meals served this year! The Bistro is open 5 ½ hours per week serving lunch Monday Thursday and dinner on Tuesday evenings. This program is completely self-supporting through the revenues it generates. The food, supplies and the wages for the Program Coordinator's position are all paid by the lunch and dinner receipts.

#### Senior Center FY2018 Goals and Initiatives

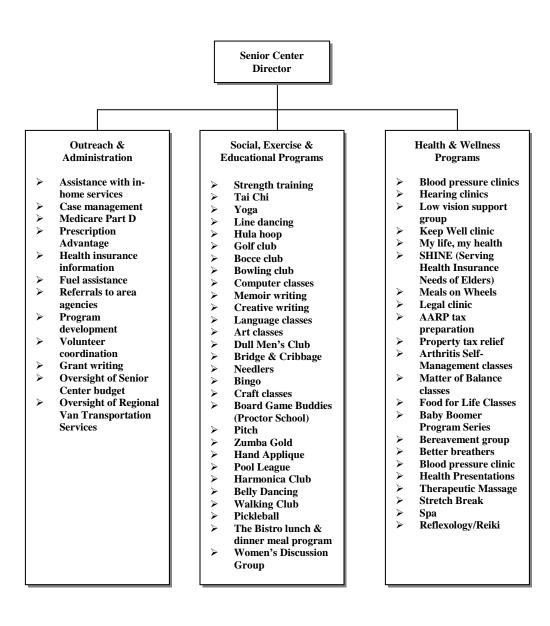

- 1. Increase and enhance programs and activities at the Senior Center.
- 2. Increase the number of volunteers, including high school volunteers, and participants at the Senior Center.
- 3. Expand revenue-producing programs to help provide financial sustainability.

# **Significant Budget Changes or Initiatives**

There are no significant changes for the FY2018 Senior Center budget. Overall, the departmental budget is up 3.28%, or \$8,616 which includes a \$3,000 increase for building maintenance costs. The departmental budget as presented includes 2% wage increases for Union and Non-Union personnel. As in previous years, \$11,259 will be expended directly from the Senior Center's program revolving fund to supplement the contractual services line which is used to pay for the cleaning and maintenance of the building.

- In addition to the staffing included in the General Fund, there was a 19hr/wk (.48 FTE) part-time Program Coordinator position funded during FY2017 through the program revolving fund. The position is funded without tax revenues, using programs fees.
- There are also four part-time Van Drivers that work approximately 15 hours per week each for a total average of 67.5 hours per week (67.5hrs/40hrs = 1.69 FTEs). There is a fifth substitute driver used as needed. The vans are owned by the Worcester Regional Transit Authority (WRTA), which also reimburses the Town for the wages of the drivers.

Prior to July 2008 the WRTA contracted with AVCOA (Assabet Valley Council on Aging) to provide transportation for senior citizens and handicapped individuals. AVCOA existed for 23 years and previously provided transportation services to Northborough, Westborough, Boylston, Southborough and Marlborough. During 2008 the City of Marlborough and the Town of Southborough decided to leave WRTA and join the newly created MetroWest Regional Transit Authority.

Due to fiscal constraints, the WRTA decided not to renew their contract with AVCOA which expired on June 30, 2008. The WRTA approached Northborough to be the lead agency in providing transportation to the three remaining towns of Northborough, Boylston and Westborough. On July 1, 2008 the Town entered into a contract with the WRTA to provide administrative oversight for the transportation service. According to the contract, the Town uses three WRTA vehicles to provide service to Northborough five days per week, and two days a week to the Towns of Boylston and Westborough. Residents book their trips through PBSI (Paratransit Brokerage Services, Inc.) of Worcester and the drivers report to the Senior Center daily to pick up their schedule for the day. The full cost of providing this service to the three towns is reimbursed by the WRTA to the Town of Northborough.

During FY2012 the Friends of the Senior Center donated funds to hire a part-time Meals Coordinator position to help run the lunch and dinner program known as the Bistro @ 119. The program serves lunch Monday through Friday and dinner on Tuesday evenings. This position continued in FY2013 and is now self-funded through program revenues.

# **Library Departmental Statement**

The mission of the Northborough Free Library is to provide materials, space, access and opportunities for members of the community to learn and discover; to enrich their lives and further their personal goals; and to engage with others in a comfortable environment. Materials are purchased for recreation, independent learning, and vocational and educational support. In addition, the Library provides access to materials and information in other libraries or organizations, as well as electronic databases. The Library also serves as a center of community activity, with programs for preschoolers to the elderly; a meeting place for civic, cultural, social, and other non-profit organizations; and a distribution point for local information.

The Board of Library Trustees consists of nine members appointed by the Board of Selectmen for three-year terms. The Trustees have the responsibility for the care, superintendence and management of the Northborough Free Library.

# **Library FY2017 Initiatives and Accomplishments**

- 1. Successfully launched our new brand, including a new logo, tagline and style guide governing our online and print communications in October 2016. The logo reflects the façade of the original Gale Library building, which was built in 1895. The new tagline, Your Place To Connect, reflects the Library as both a physical place where the community gathers to meet friends and neighbors for programs and meetings, to check out the newest books and materials, as well as an online portal and technology learning center that connects people to the world, providing library services 24/7 at the click of a mouse.
- 2. Library usage continued to increase significantly this past year. The total number of visits to the Library rose 10% to more than 127,000 visits. Both the number of programs offered by the Library and the total attendance at programs for children, teens and adults also increased significantly: We offered 675 programs and events to nearly 14,500 people, a 150% increase in program attendance! We also continued our popular series of programs for adults, including another Art Series, a Nutrition Series and a Photography Series, attracting new adult audiences to the Library.
- 3. We successfully completed the second year of our two-year Conversation Circles grant program, using \$12,500 in Library Services and Technology Act (LSTA) funds awarded by Massachusetts Board of Library Commissioners (MBLC). More than 100 people participated in the Conversation Circles during the grant period, providing them with an opportunity to meet with others interested in improving their English language skills in a non-threatening and supportive environment.
- 4. The annual Summer Reading Club program attracted about 560 participants in grades K 5, who logged 5,565 hours of reading, a 37% increase! Nearly 1,000 children attended our 34 summer reading-themed programs.
- 5. We installed a new network managing our 21 public computers in a Windows domain environment, streamlining the technology services we provide to Library patrons in a much more secure, efficient and cost-effective way.
- 6. Working with students in Technology Instructor Julie Doyle's Technology Club at Algonquin Regional High School, we inaugurated a series of "Tech Nights @ the Library" designed help residents learn how to use their mobile devices in order to access online databases and other electronic resources. These informal Tech Nights will continue to be offered in the future.
- 7. Received a \$10,000 Mind in the Making grant from the Massachusetts Board of Library Commissioners geared toward infants, toddlers and children up through age 6 designed to create intentional "learn and play" spaces in order to promote more interactive learning opportunities from a young age.
- 8. The Board of Trustees launched the Library's second annual fund appeal with a goal of raising \$20,000 in funds for the Library, helping to supplement the operating funds we receive from the Town. Our long-term goal is to create an endowment fund that will be used to supplement Town operating funds.

# **Library FY2018 Goals and Initiatives**

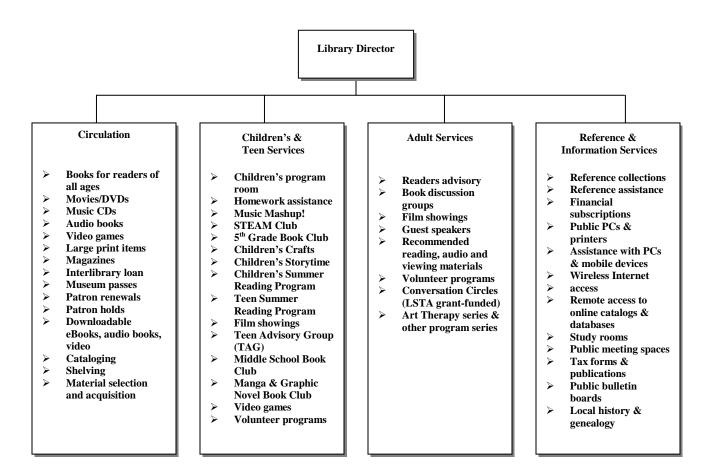

- 1. Continue to investigate opportunities to increase the library's operating hours.
- Continue to work with the Library's Technology Committee to create a multi-year Technology Plan which will encompass the library's short-term and long-term technology and equipment needs, new and emerging technologies, such as wireless mobile devices, wireless printing, access to electronic information resources, as well as a Makerspace or Innovation Lab.
- 3. Continue to work with the Branding & Marketing Committee to create a multi-year Marketing Plan designed to communicate a consistent, clear and compelling message about the library's programs and services using both print and online resources.
- 4. Continue to work with the Development Committee to create a multi-year Development Plan that will lay the groundwork for a sustained development effort, helping to ensure the library's future growth and development.
- 5. Continue to support opportunities for lifelong learning for adults by offering free online classes such as Massive Open Online Classes (MOOCs) or similar online courses on a variety of topics, either in our computer lab or in one of our meeting rooms.
- 6. Working with other Town departments, including staff at the Senior Center, the Recreation Department, the Police Department, as well as social service agencies and volunteers, we plan to explore the feasibility of expanding services to those in the community who are homebound due to physical impairments or mobility issues.
- 7. Working with our Technology Committee, we plan to develop a collaborative online gaming environment using Minecraft that will engage tweens and teens using this popular gaming platform, offering a secure way to create "virtual worlds" using a variety of gaming tools.

### **Significant Budget Changes or Initiatives**

Overall, the FY2018 Library Budget is up 5.47%, or \$41,982. The departmental budget as presented includes a 2% wage increase for Union or Non-Union personnel. The budget also includes the restoration of a part-time Library Page position at \$4,576. An additional \$5,575 was added to the books, supplies and non-print media budgets to keep the materials budget in line with State requirements.

# \*Personnel Explanation:

- Full Time Equivalents based upon 40 hrs per wk (30hrs/40hrs = .75 FTE)
- ➤ During FY2014, staff transitions provided an opportunity to move all Library Assistants to either 19 hour/week or 40 hour/week positions. While this action resulted in a slight increase in the FTE count for Library Assistants, it also effectively reduced the number of benefit-eligible positions by one. Additionally, the Circulation Supervisor position increased from 35 hours/week to 40 hours/week resulting in the overall FTE count going to 9.36. Similarly, in FY2015, the Financial Assistant position increased from 39 to 40 hours/week.
- ➤ During FY2017 funding previously used for temporary library substitutes was reduced in order to add a new, permanent 19 hour/week (.48 FTE) Library Assistant. The addition of a permanent, part-time position will improve service continuity and coverage.
- ➤ During FY2018 one 8 hour/week (0.20 FTE) Page position was added into the budget. A similar Page position was added in FY2017 as well. Not included in the FTE count above are any Page positions funded through donations by the Friends of the Northborough Library.
- > Custodial services are provided through a contractual cleaning service.

### **Significant Budget Changes or Initiatives**

The FY2018 Recreation Department budget is financially self-sufficient by way of program fees. Salaries and benefits for the Recreation Director and Administrative Assistant are funded through the Revolving Account, as well as payroll for all part-time and seasonal staff. Article 4 of the 2017 Annual Town Meeting Warrant contains a transfer of \$161,259 from the Recreation Revolving Fund to the General Fund, which is sufficient to cover all departmental expenses not directly paid for through the Revolving Fund. The Recreation Department's goal moving forward is to continue funding 100% of its budget with program revenues so that no tax dollars are used for departmental services.

<sup>\*</sup>The Office Assistant and Counselor positions are part-time positions (19 hours per week).

# Family & Youth Services FY2017 Initiatives and Accomplishments

- 1. The Department continues to be the Town's centralized source for human service needs. In 2016, our dedicated staff and graduate intern assisted <u>960 residents</u>. We did this through professional counseling, school-based therapy, mental health assessments, crisis intervention, application assistance for fuel, food and housing, referral services, case management and linkage to town, state and federal resources.
- 2. We continue to provide residents with an extensive network of referrals. In 2016, we responded to requests from <u>359 residents</u> who received <u>976 referrals</u> to social service and mental health providers.
- 3. A prevailing theme in 2016 was the increased number of families turning to us for basic human needs. For instance, several residents faced eviction as a result of the sudden unemployment of a parent due to a major medical issue. Others presented in crisis due to the State's decision to close hotels as temporary shelters. Although we offered new resources, many are still homeless due to long waitlists for shelter.
- 4. To address this housing crisis, our staff responded in several ways. We attended housing forums to network with new providers and expand our knowledge base for housing resources. We met with the Director of Habitat for Humanity and we provided residents with information about affordable housing opportunities. We continue to be in the forefront of this issue through advocacy and raising awareness.
- 5. For the 3<sup>rd</sup> consecutive year we forged a new collegial partnership due to the excellent reputation of our Internship Program. In September 2016, we accepted a Doctorate of Clinical Psychology Intern from William James College. This also marks the 1<sup>st</sup> time that we have accepted a Doctorate Intern.
- 6. In December 2016, our Intern worked with the Senior Center to provide a program for Northborough's mature residents. The program focus was to support residents during the Holiday Season who may be dealing with loss or loneliness. The program was well-received and may continue on as a support group.
- 7. Family & Youth Services and the Senior Center are Application Sites for the Federal Low Income Home Energy Assistance Program. According to South Middlesex Opportunity Council FY 2016 City/Town Report, <u>136 residents</u> received heating assistance, with a total dollar expended of <u>\$84,024.95</u>.
- 8. On May 24, 2016, the Directors of Family & Youth Services and Friends of Families in Transition initiated the first meeting of "Northborough Cares." This new group formalizes existing community partnerships to maximize support to residents. Team members also include the Northborough Schools, Food Pantry, Helping Hands and the Town Departments of Health, Fire, Police and Senior Center.
- 9. In July 2016, the Director joined the Town Task Force initiated by the Senior Center Director to provide Departments the opportunity for collaboration, information and

# **Family & Youth Services**

resource sharing. The group addresses complex issues across Departments such as hoarding, protective services, housing and more.

10. Data from the Metro West Adolescent Health Survey indicated that certain drinking and other drug use rates in 6 communities exceed the regional rate. In an effort to reduce these rates the Substance Abuse Prevention Collaborative was formed to serve Ashland, Framingham, Northborough, Southborough, Natick and Hudson. The Northborough-Southborough Substance Abuse Coalition was also formed to reduce substance abuse rates, including opioid use. The Director participates in both of these initiatives.

# Family & Youth Services FY2018 Goals and Initiatives

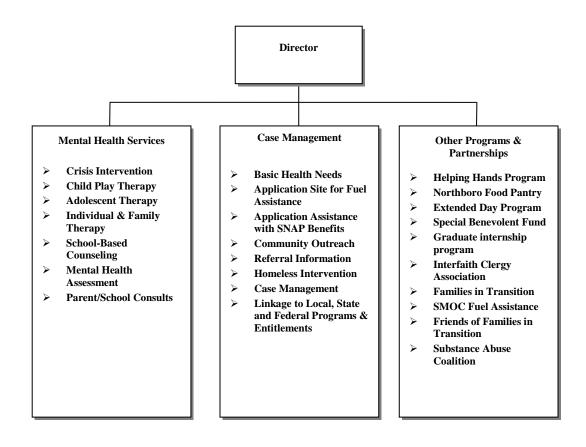

- 1. Family & Youth Services will continue to advocate and raise awareness about the current housing crisis in Massachusetts. This will occur through active participation in:
  - o The Friends of Families in Transition Meetings
  - o The Quarterly Youth & Family Network Meetings
  - o The Local Office of Human Services Counsel
  - o Case presentations at Northborough Cares Meeting
  - o Attendance at the Town Task Force Meeting

  - o The Northborough-Southborough Substance Abuse Coalition
  - o The School District's Health & Wellness Committee

# **Cable Access TV Special Revenue Fund Explanation:**

The department's budget is within the Town's General Fund, however it is financed 100% by contractual payments from its two contracted providers, Charter Communications and Verizon. These revenues are held in reserve outside of the General Fund in a Special Revenue Fund. The funds are voted to be transferred in via the Town's annual budget article. <u>In effect, there are no tax dollars used to support the department.</u>

It should be noted that in prior years, the budgets and expenditures displayed in the table above were intended to be informational, because the department's expenses and revenues were carried within a Special Revenue Fund. However beginning in FY2017, state law requires the expenses be brought explicitly into the General Fund, while the revenues continued to be received in the Special Revenue Fund. As in the current year, no tax dollars were used to support the department.

# **Veterans' Services Department**

The Department of Veterans' Services program is established in accordance with Massachusetts General Law, Chapter 115. The purpose of the program is to provide information, advice and assistance regarding benefits to veterans, as well as their spouses and dependents.

On July 1, 2013, the Town of Northborough entered into an agreement with the Towns of Grafton, Shrewsbury and Westborough to form the Central Massachusetts Veterans' Services District. Oversight of the District is provided by the Secretary of the Commonwealth of Massachusetts Department of Veterans' Services and the District's Veteran's Advisory Board. The locally-appointed Veterans' Agent works with veterans to obtain benefits including employment, vocational or other educational opportunities, hospitalization, medical care, burial and other veterans' benefits. The approved benefits paid to Northborough veterans are subject to a 75% reimbursement from the Commonwealth's Department of Veterans' Services. Administrative costs, including salary are not reimbursable and the reimbursement is received as State Aid revenue approximately twelve to fifteen months after the expenditure.

# **Veterans' Services FY2017 Accomplishments**

- 4. Established a schedule allowing for visits to various retirement communities to ensure that each person within the district has access to services, regardless of transportation or health issues.
- 5. Nearly doubled the number of claims submitted to the Department of Veterans Affairs for medical care, disability, and survivor's pensions. Northborough residents receive a combined total approaching \$2 million in annual VA benefits.

# **Significant Budget Changes or Initiatives**

Since the formation of the Central Massachusetts Veterans' District in FY2014 with the Towns of Grafton, Shrewsbury and Westborough, Northborough's share of the District budget has remained stable at 16% (\$17,135) of the overall administrative expenses in FY2018. However, ordinary benefits for qualifying veterans and their families increased from \$39,760 to \$57,000 in FY2018 based upon projected needs. Although any approved benefits paid to Northborough veterans will eventually be subject to a 75% reimbursement from the Commonwealth's Department of Veterans' Services, it is still the responsibility of the Town to budget adequate benefits on the front end to cover those expenses, pending reimbursement. Overall, the FY2018 Veterans' Services budget increased by \$18,382, or 30.5%.

# **Veterans' Services Programs and Services**
