---

## 2017 Annual Town Meeting CPC Expenditures

Conservation Commission - \$30,000 for Bartlett Pond treatment. Approximately every three years, Bartlett Pond is evaluated and treated for weeds. Systemic herbicide is applied to reduce the infestation of the invasive weed population.

Trails Committee - \$30,000 for purchase of signs and kiosks; trail maintenance operations; and upkeep of trail bridges and water bridges.

Northborough Affordable Housing Corporation - \$100,000 for the purpose of creation of affordable housing.

Town Common – Phase II - \$377,400 for construction of town common.

Historic District Commission - \$55,000 for the future historical property preservation or acquisition.

Green Street Debt Service - \$55,000 for final debt service payment associated with the purchase of the Green Street parcel for open space purposes.

Northborough Community Preservation Committee - \$25,000 for expenses associated with the implementation of the Community Preservation Act.
