

Neighbor Brigade of Northborough (formerly know as Northborough Angels)

Neighbor Brigade of Northborough is a growing network of volunteers supporting our community's families in crisis. Families large and small face significant challenges when illness or tragedy unexpectedly strikes. The impact on household routines can make life seem unbearable.

Neighbor Brigade of Northborough will use its town lines as boundaries for recipients and volunteers. To determine who within our community we can help, a great rule of thumb will be first to determine if the family is undergoing a crisis. If so, has the family in need exhausted their circle of friends and local family? If the answer is yes or that they do not have support to reach out to, then they likely need our help.

Volunteers may

-  **deliver meals**
-  **go to the grocery store**
-  **drive an ill family member to the hospital**
-  **or simply check-in periodically on a recipient**
-  **... a simple act of kindness.**

If you would like to become a volunteer, you may call the Northborough Family & Youth Services Dept. or you may visit our website at www.neighborbrigade.org.

If you become aware of a need in our community, **please let us know so we can help, contact us through the Northborough Family & Youth Services at 508-393-5020** or through the website listed above. Welcome to the Neighbor Brigade! We look forward to working with you to bring care and comfort to families in our community.
