### **December 10, 2019 Presentation & Public Hearing Northborough Master Plan**

Please join the Master Plan Steering Committee and the Planning Board for a presentation of the recently completed Northborough Master Plan on December 10, 2019 at 7:00pm at the Northborough Free Library, 34 Main Street.

For the past 18 months, the Master Plan Steering Committee has held multiple public meetings and several workshops in addition to distributing three surveys to engage with residents, business owners, and other local stakeholders for input and feedback regarding the future of our community. Land Use and Development, Housing, Economic Development, Open Space & Recreation, Natural, Cultural, and Historic Resources, Transportation & Circulation, and Public Facilities & Services are all topics addressed in the Master Plan. The implementation of the goals and recommendations associated with the topics will also be discussed at this presentation.

The Planning Board will be conducting a public hearing within the presentation and there will be ample time provided for comment, questions, and answers.

On December 2<sup>nd</sup> the Master Plan will be available at [www.NorthboroMP.com](http://www.NorthboroMP.com) and copies for public reading will be available at the Planning Department, Senior Center, and the Library.

If you have any questions in advance of the December 10th presentation, please send them to [planning@town.northborough.ma.us](mailto:planning@town.northborough.ma.us).
