

*NSPAC is a volunteer organization which serves families of over 1,000 special education students in our school district. We provide educational programs, support, resources, and networking opportunities.*

***Welcome back NSPAC families!***

**NSPAC General Meeting**

**Wednesday, September 29, 9am**

Come join our September NSPAC General Meeting via zoom to hear the latest updates about Student Support Services in our district. Come share with us what has gone well and where there might be improvements to be made.

- Marie Alan, Director of Student Support Services, and her team will be joining the conversation to talk about what role they play in Special Education for our district and to answer questions.
- We'll also be holding an election to fill the Recording Secretary Position on the Board. Currently, Nikol Maher is on the ballot for that position.
- Meeting to be immediately followed by virtual parent coffee.
