Other: Michael Sullivan (Connorstone Engineering)

The Board of Health met on Tuesday, July 9, 2019 in the Selectman's Meeting Room of the Northborough Town Offices. The meeting was called to order at 6:00 by Glenn French.

6:01 - Meeting Notes Review

Glenn French made the motion to approve the April 11, 2019 meeting minutes. This was seconded by Dilip Jain, all in favor.

6:02 - Well Variance Request for 15 Maple Lane

Michael Sullivan requested a well variance on behalf of 15 Maple Lane. Well regulations require that wells are 100 feet from water. Mr. Sullivan is requesting that they can install a well 39 feet from the water. Mr. Sullivan stated that due to the odd, narrow shape of the lot, installing the well so that it is 100 feet from the water would be impossible. The Commonwealth of Massachusetts recommends remaining at least 25 feet from water. Glenn French moved to approve the variance request that the well can be placed 39 feet from the water's edge. This motion was seconded by Dr. Dilip Jain, all in favor. Mr. Sullivan thanked the board members and left at 6:09 pm.

6:10 - Health Agent Update

Casey Mellin mentioned to the board members that Santo Anza had a bench trial today and that it was continuing to tomorrow. Mr. Mellin also noted that he recently had been working on sending out certified letters to Northborough businesses to make sure they are aware of the upcoming styrofoam and plastic bag bans. Mr. Mellin has also been working on updating the EDS document. Mr. Mellin reported that annual pool and camp permits are currently being issued and all restaurant inspections are current.

Establish future meeting date

The next Board of Health meeting was tentatively scheduled for Tuesday, August 13, 2019.

Motion to adjourn at 6:20 PM by Glenn French, seconded by Dilip Jain, all in favor.

Respectfully Submitted,
